### For the Beauty of the Earth

1. For the beauty of the earth,  
for the glory of the skies,  
for the love which from our birth  
over and around us lies;

Refrain: Lord of all, to thee we raise  
this our hymn of grateful praise.

2. For the beauty of each hour  
of the day and of the night,  
hill and vale, and tree and flower,  
sun and moon, and stars of light; (Refrain)

4. For the joy of human love,  
brother, sister, parent, child,  
friends on earth and friends above,  
for all gentle thoughts and mild; (Refrain)

6. For thyself, best gift Divine,  
to the world so freely given,  
for that great, great love of thine,  
peace on earth, and joy in heaven: (Refrain)

### One

Is it getting better?  
Or do you feel the same?  
Will it make it easier on you now?  
You got someone to blame

You say, one love, one life  
When it's one need in the night  
One love, we get to share it  
Leaves you baby if you don't care for it

Did I disappoint you?  
Or leave a bad taste in your mouth?  
You act like you never had love  
And you want me to go without

Well it's too late tonight  
To drag the past out into the light  
We're one but we're not the same  
We get to carry each other, carry each other  
One!

Have you come here for forgiveness?  
Have you come to raise the dead?  
Have you come here to play Jesus?  
To the lepers in your head

Did I ask too much? More than a lot  
You gave me nothin' now it's all I got  
We're one but we're not the same  
Well we hurt each other then we do it again

You say love is a temple, love a higher law  
Love is a temple, love the higher law  
You ask me to enter but then you make me crawl  
And I can't be holdin' on to what you got  
When all you got is hurt

One love, one blood  
One life, you got to do what you should  
One life, with each other  
Sisters, brothers

One life but we're not the same  
We get to carry each other, carry each other  
One  
One

## Lean On Me

Sometimes in our lives  
We all have pain  
We all have sorrow

But if we are wise  
We know that there's always tomorrow

Lean on me  
When you're not strong  
I'll be your friend  
I'll help you carry on...

For it won't be long  
Till I'm gonna need somebody to lean on

Please swallow your pride  
If I have things you need to borrow

For no one can fill  
Those of your needs that you won't let show

You just call on me brother when you need a hand  
We all need somebody to lean on

I just might have a problem that you'll understand  
We all need somebody to lean on

Lean on me  
When you're not strong  
And I'll be your friend  
I'll help you carry on...

For it won't be long  
Till I'm gonna need somebody to lean on

You just call on me brother  
When you need a hand  
We all need somebody to lean on

I just might have a problem that you'll understand  
We all need somebody to lean on

If there is a load you have to bear  
That you can't carry

I'm right up the road  
I'll share your load  
If you just call me

Call me  
If you need a friend  
(Call me)  
Call me (call me)

### **Lift Every Voice and Sing**

Lift every voice and sing  
Till earth and heaven ring  
Ring with the harmonies of Liberty  
Let our rejoicing rise  
High as the listening skies  
Let it resound loud as the rolling sea

Sing a song full of the faith that the dark past has taught us  
Sing a song full of the hope that the present has brought us  
Facing the rising sun of our new day begun  
Let us march on till victory is won

Stony the road we trod  
Bitter the chastening rod  
Felt in the days when hope unborn had died  
Yet with a steady beat  
Have not our weary feet  
Come to the place for which our fathers sighed?

We have come over a way that with tears has been watered  
We have come, treading our path through the blood of the slaughtered  
Out from the gloomy past  
Till now we stand at last  
Where the white gleam of our bright star is cast

God of our weary years  
God of our silent tears  
Thou who has brought us thus far on the way  
Thou who has by Thy might Led us into the light

Keep us forever in the path, we pray  
Lest our feet stray from the places, our God, where we met Thee  
Lest, our hearts drunk with the wine of the world, we forget Thee  
Shadowed beneath Thy hand  
May we forever stand  
True to our God  
True to our native land  
Our native land
